With legal action on the rise in the wake of an extended period of economic turmoil across the globe, litigation liability insurance offers critical financial protection to those in disputes in the UK or overseas.

Mosaic offers clients a full range of pricing options to suit all types of cases and clients—from individuals and small businesses to multinational corporations and litigation funders.

PRODUCTS & APPROACH

WHAT WE INSURE

Mosaic's litigation liability cover provides policyholders with protection against the risk of having to pay an opponent's legal costs in the event litigation or arbitration is unsuccessful. In some cases, we can also cover policyholders' own legal costs or claims-related disbursements.

Typical coverage (each case is considered on its own merits):

- Professional negligence disputes (claims against solicitors, accountants, IFAs, etc)
- Breach-of-contract claims
- Insolvency litigation
- Group actions/class claims
- Competition claims

WHAT SETS MOSAIC APART

- Market leaders with strong background in specialist, complex risks
- Entrepreneurial, client-focused
- Best-in-class claims team with long track record of lead-market claims handling
- Deep understanding of clients
- Truly global approach

PRODUCTS WE OFFER

Cover of up to £2.5M for any one claim, with flexibility & pricing options, including:

- payment of a fully deferred premium payable only in the event the claim succeeds
- a non-refundable premium paid in full on inception
- a combination (a non-refundable deposit premium on inception, plus a further premium paid only if and when the claim is successful)

We can also provide solutions when an opponent seeks security for costs, either in the form of an anti-avoidance endorsement or deed of indemnity.
