

Political Violence US

The escalating trend of terrorism incidents post-9/11 in the United States means it's not a matter of *if* another event will occur, but when. Indiscriminate attacks by international and domestic terrorists are on the rise, mirroring today's uncertain and volatile socio-political climate. Stand-alone terrorism and political violence policies offers reliable coverage that can pay claims and help clients recover after tragedy strikes—providing better contract certainty than the US Terrorism Risk Insurance Program Reauthorization Act (TRIPRA), which requires government certification and financial thresholds. Mosaic's dedicated political violence products provide peace of mind for businesses of all sizes and locations to operate effectively and avoid ruinous losses when the unthinkable happens.

Why stand-alone is superior to Terrorism Risk Insurance Program Reauthorization Act (TRIPRA)

COVERAGE OPTIONS	MOSAIC	TRIPRA
COVERAGE DEFINITION	Wordings include wider definition of terrorism, extending to religious/ideological motives, to better indemnify clients. Accepted by lenders as superior coverage to meet terrorism insurance requirements	For coverage to apply, the Secretary of Homeland Security, US Attorney General and Secretary of the Treasury must all certify the event as an act of terrorism. (This certification requirement has never been met since the inception of TRIPRA)
CERTIFICATION REQUIREMENTS	Mosaic covers terrorist events with or without certification under TRIPRA, and there are no monetary limitations to trigger coverage	Losses of property damage under \$5M are not considered for certification. There will be no indemnity for losses to insureds under this level
PERILS COVERED	<ul style="list-style-type: none"> • Terrorism and Sabotage <div style="border: 1px solid black; padding: 5px; margin-top: 5px;"> <p>optional additions</p> <ul style="list-style-type: none"> • Strikes, Riots, Civil Commotion • Malicious Damage • Insurrection, Rebellion, Coup d'Etat • War and Civil War • Terrorism Liability • Nuclear, Biological, Chemical & Radiological (NBCR) • Cyber • Active Assailant </div>	Terrorism only
DEDUCTIBLE/LIMIT	Flexible deductible and limit options tailored to client needs	Based on property limits and deductibles, which are based off property exposures, not terrorism exposure
TERRITORY	Worldwide coverage; can strip locations out of larger schedule if only some areas require coverage	US locations only; will have to cover a full SOV
PRICING	Our specialist underwriters assess and price your submission, avoiding coverage gaps, but offering a custom quote distinct from any other product estimates	Our specialist underwriters assess and price your submission, avoiding coverage gaps, but offering a custom quote distinct from any other product estimates
