

Cyber CANADA

The rising frequency of cyberattacks threatens companies of every size and industry. Business interruption, reputational damage, or exposure to legal and regulatory fines can damage entities after unpredictable incidents. At Mosaic, we view cyber risk as a genuine business concern. We work closely with clients to help prevent attacks or minimize the impact of a breach leveraging expert response resources. You can count on our dedicated global team to ensure you resume operations as quickly as possible.

Claims

Proactive claims management by specialists is at the heart of every risk we cover. Fair handling of claims, and quick payment where agreed, is our promise. Our technically experienced in-house experts provide coverage analysis, strategic overview, and legal and data-driven insights, with continual feedback to our underwriting teams. Claims and underwriting teams work closely together to ensure we meet the needs of our clients. Mosaic's approach is one of ownership, transparency, and efficiency; achieving fair outcomes for our customers is the end goal. Mosaic has full authority on claims settlement decisions.
