Financial Institutions INTERNATIONAL

Financial Institutions are facing increased levels of economic and political volatility in today's challenging global environment. Amid an evolving landscape of regulatory change and rising litigation, businesses must navigate their way through a difficult climate of uncertainty.

Mosaic's leading underwriters have decades of experience writing financial institutions coverage across a broad range of different sectors and products on a global scale. We offer clients solutions tailored to their business to ensure they are protected against risks specific to their industry, whether they are a global bank or a London-based boutique investment manager.

Our world-class service and innovative approach ensure we provide client-focused solutions to modern risk, through either niche new products or restructuring large, complex programs.

Claims

Proactive claims management by specialists is at the heart of every risk we cover. Fair handling of claims, and quick payment where agreed, is our promise. Our technically experienced in-house experts provide coverage analysis, strategic overview, and legal and data-driven insights, with continual feedback to our underwriting teams. Claims and underwriting teams work closely together to ensure we meet the needs of our clients. Mosaic's approach is one of ownership, transparency, and efficiency; achieving fair outcomes for our customers is the end goal. Mosaic has full authority on claims settlement decisions.
